2.3—SUPERINTENDENT ATTENDANCE AT SCHOOL BOARD TRAINING CONFERENCES

The Marmaduke School District Board of Directors recognizes the District benefits from the superintendent and the members of the Board of Directors jointly attending school board member training conferences. The joint attendance provides an opportunity for the superintendent and members of the Board of Directors to develop their working relationship in a less formal setting and allows the superintendent and members of the Board of Directors to jointly build upon the training received. These benefits are even more evident when the superintendent is new to the District.

In recognition of these benefits, the Board of Directors authorizes the Marmaduke School District to cover the costs associated with the current superintendent or the individual who has a signed superintendent contract with the Marmaduke School District for the upcoming school year to jointly attend school board training conferences with the members of the Board of Directors.
